PRINTS AND ALBUMS

PRICELIST

The value of everlasting memories to be shared with family and friends is something I wish for everyone. My children talk about the photos on our walls every week. I think it does something for the following generations. That is why I offer the best quality prints and album makers on the market.

All photoshoots have a reservation fee of 5 900 kr which include the date and 1-2 hours of photography and 5 high resolution hand edited images.
